The event of the evening was the report of the Committee on Credentials. In regard to the supposed contest as to seats in Lafayette, Sharkey and Tunica counties, the committee reported that there was no formal contest. In regard to proxies, two reports were submitted, the majority fayoring the admission of all proxies. The minority report favored the admission only of proxies sanctioned by the regular delegates present from the counties where the proxies appear. The majority report was adopted. This is a victory of the

LITTLE ROCK, August 3.—On Monday morning, August 1st, at 6 o'clock, Mrs. Dr. H. W. Bird, living near Hamilton, Lonoke county, gave birth to a girl child weighing of its cranium. The child is well developed and has a fine form, and there is no deformity save the eyes, which are inclined to stand out. The child has no forehead save about half an inch, from whence its head recedes. The cranium is entirely gone, and where the frontal bone should be is the brain of the membrane, but no skin or other covering ex-ists on the back part of the head. About an inch and a half from the upper part of the neck is some very coal black hair, an inc and a half long; black eyes, features regular and the child is healthy, well formed and
